ACCORDING TO BIBLE:

As a Christian, I'd like to begin with the Bible. I have two points of view on homosexuals. As a Christian, I know that homosexuality is a sin that the Bible mentions numerous times! But, as a human, I believe they are similar to mine, albeit with a minor disability.

A clash of humanity and religion!!!

Is homosexual sinful?

If you say "Yes," my next question is, "Why?" "Jesus said so," you might say. Then I would confirm that Jesus never said anything about same sex as sin but Jesus mention about gays in his Gospels(might be mentioned in OT and Apostles).

However, my question is, "Why?" Because the Old Testaments states it! The Old Testament also says that eating pork, wearing different fabrics, and a variety of other things are all sinful.

My question here is whether we still follow O.T laws and commendments?

If you say "Yes," I have another question for you. Enjoy your sexist, chauvinist judgemental, xeno phobic lifestyle choice. The rest of culture will progress without you!

If you say "No", my next question is, "Why?" Your response could be stated in the manner of the New Testament. I'd like to point out that the original Old Testament mentioned male prostitution, molestation, and promiscuity but not the same sex relationship. However, Paul spoke out against homosexuality. Women, according to Paul, should be silent and never have authority over men!

Do modern-day churches uphold all of Paul's principles?

Then you might argue that the Bible defines marriage as one man with one woman, but it also mentions one man with many women, one man with many wives and concubines.

Finally, if you believe homosexuality is correct, my wishes for you are not religious, but human. Aside from being truthful to the partner, the entire world has its own discrimination on a variety of issues.

Bible, Homosexual and other sins:

1) There are **seven** bible verses says about Homosexual is sin.

2) There are **Twelve** verses against the Divorce.

3) There are **Four** verses against having sex with Menstruating.

“We really need a new conversation about the homosexual and the Bible”

“For there are some eunuchs, which were so born from their mother’s womb: and there are some eunuchs, which were made eunuchs of men: and there be eunuchs, which have made themselves eunuchs for the kingdom of heaven’s sake. He that is able to receive it, let him receive it.”

Matthew 19:12

So you oppose gay rights because of the Bible?
Unless you also try to outlaw
1) Shrimp Cocktails (Lev. 11:9)

2) Cursing (Lev. 24:16)

3) Women’s jeans (Deut. 22:5)

4) Arrogance (Prov. 16:5)

5) Lying (Prov. 12:22)

6) Bacon (Lev. 11:7)

7) Adultery (Deut. 22:23)

8) Working on Sunday (Num. 15:32)

If you have a gay child!!!

If your children are gay, don’t pray that God will heal or change or fix them. Pray for God to protect them; from the ignorance and hatred and violence that the world will throw at them, simply because of who they are.
